Weatherproof exposed wall surfaces with NEOGARD®'s seamless high performance coating systems that combine beauty with function.

When you compare the total cost of ownership, from application to longevity, it is easy to see why NEOGARD® is the obvious high performance coating solution.

### Exposed Walls can Last Longer with Proper Protection

#### Wall Coatings

Use our high-performance seamless exterior wall coatings over:

- **CONCRETE**
- **EIFS**
- **MASONRY**

### Performance Properties

- Seamless and fully adhered
- Environmentally friendly
- Elastomeric
- Sustainable
- Weather resistant and waterproof
- Breathable

### Product Advantages

- One-piece “customized” finished surface
- Low odor systems, meets environmental requirements
- Accommodates thermal expansion and contraction
- Systems can be renewed, not replaced
- Proven to perform in adverse conditions
- Allows moisture to escape
